

Tempus

Will lead WP8 and will be responsible for the development of the sustainability plan, the faculty mentoring program and the advocacy materials. SAPIR will coordinate the establishment of a college-wide task force in each partner college and the formation of internationalization network. SAPIR will lead the advocacy campaign and will establish an internal internationalization task force.

Project number 530315-TEMPUS-1-2012-1-IL-TEMPUS-JPGR
 This project has been funded with support from the European Commission.

Preliminary Comments

- WP8 center of gravity is on early 3rd Year
 - after deliverables and dissemination activities matured
- Considerably rely on preceding work and findings of primary WPs
- Actually, too early to pinpoint on exact needs and formulation
- Advised by experienced partners, but look forward the teaming work

Sapir Sustainability Work-Package

- M16-M21: Sustainability Strategic Plan
- M25-M35: International Taskforce
- M30-M35: Faculty Mentoring Program for Academic Faculty
- M22-M35: Internationalization Roadmap
- M25-M36: Advocacy materials and Advocacy Campaign

IRIS Sustainability Strategic Plan

- How to Retain and Sustain our Valuable Efforts and Deliverables ?
 - Sustainability Strategy (Where we want to be?)
 - Value Proposition (What we want to sustain?)
 - Internationalization program deliverables
 - Materialized education for faculty members
 - Advocacy of IRO best practices
 - Prolonged qualification of IRO professionals
 - Roadmap (How and When we are going to achieve that?)

Sustainability Strategic Plan

- The Sustainability Strategy process will focus on four fundamental questions necessary to develop a winning strategy, and to provide a simple yet powerful framework for developing a practical plan that is easy to understand and communicate.

Fundamental Strategy Question One: What Propels Us Forward?

1. IRO Vision and Services
2. New capabilities
3. Internationalization

Fundamental Strategy Question Two: What Do We Want to Sustain?

1. IRO
2. Network
3. Smart Training and Maintenance of Capabilities

Fundamental Strategy Question Three: Who Are Our Target Audience/Partners ?

1. Israeli Colleges ~40
2. Partners IROs in Europe
3. ?? Other IROs
4. ?? Other Affiliated Groups

Fundamental Strategy Question Four: How Do We Add Value?

1. Smart “LinkedIn” Networking
2. Support and advisory
3. Easy Collaboration
4. Evolving Practice

International Taskforce

- **Mission**

- Developing and implementing policies, programs and services that facilitate research collaboration , maintain best practices, promote partnerships, and reach out many IRO members through valuable network

- **Vision for Effective IRO**

- An effective IRO led by policy framework, best practices, and communication tools.

- **Advisory Council**

- Advisory Council Members for the International Task Force

Mandate (Awareness, Promotion of Regular Dialogue, Coordination priorities, partnerships and activities)

Members

Leadership (Co-chairs, advisory council)

Working Methods
(Knowledge clusters, Information Exchanges, seminars/Webinars/Meetings)

Mentoring Program

Main Principles

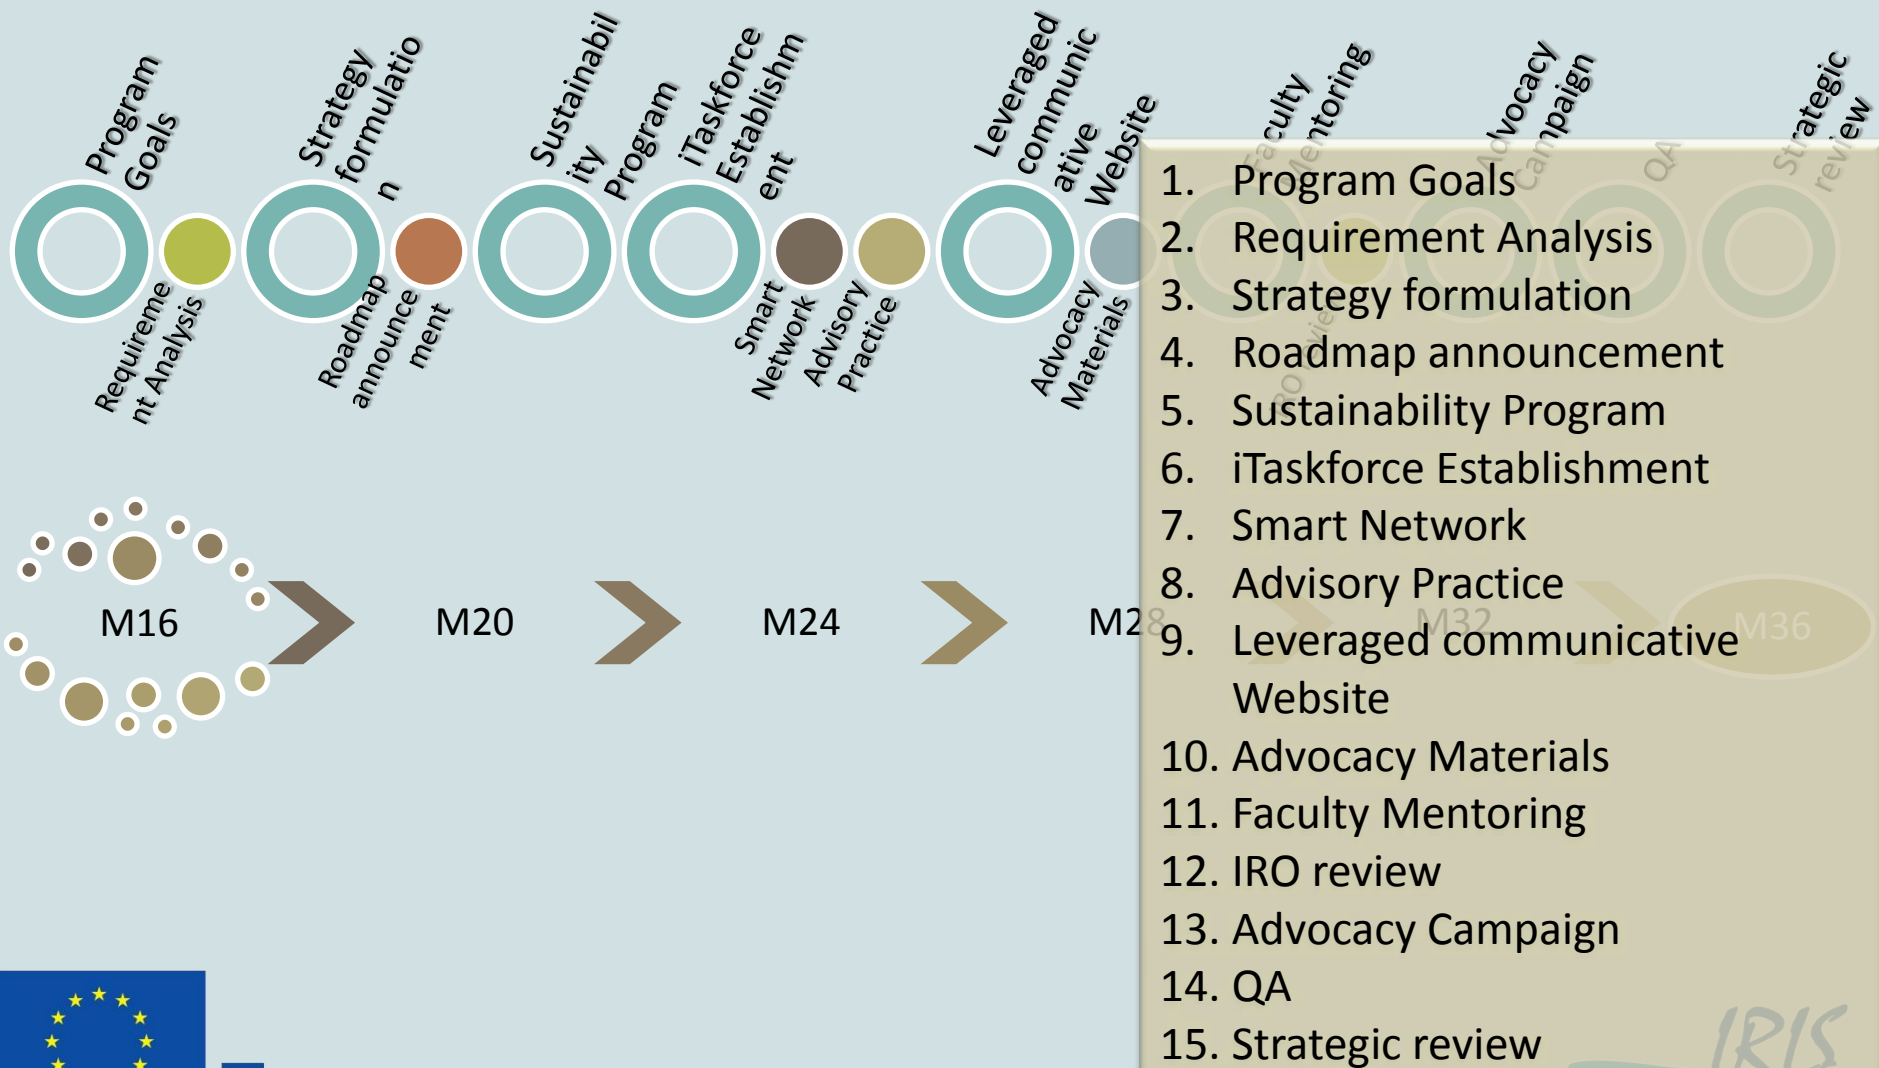

- Goals of Mentoring Program
- Suggested Mentoring Activities
- Matching Mentors with New IRO
- Duration of Mentoring Processes
- Roles and responsibilities of Mentors

Examples of Activities Under construction)

- Discuss professional interests
- Explore research and sponsored funding opportunities
- Discuss academic policies and guidelines, and university governance structure
- Explore professional development opportunities
- Address special needs, concerns, or questions and help in troubleshooting difficult situations
- Much more.....

Internationalization Roadmap
